

1980 Cessna 182Q Skylane

REGISTRATION NUMBER: N5168N

SERIAL NUMBER: SN: 18267555

This aircraft has only had three owners since new, with the last owner enjoying the aircraft for over 10 years! The log books all present and in very good condition. The aircraft has no major or in-flight damage history. It does have a slight crease in the top of the left wing that is apparently static.
