EXTERIOR

N82PG is painted in an overall Matterhorn white with 3 tone striping in hunter green, staple gold and deep maroon. It was striped and painted in 2003 -and in May 2011 our professional refurbishment facility rejuvenated the paint and all it's "like new" all of the fairings have been renewed along with all the paint! It is in excellent condition! Rated 9.25!

INTERIOR

*NEW & ABSOLUTELY STUNNING! The interior of N82PG has recently been revamped from crew to cabin! The crew seating features standard seating in thick, jet black leather with cushiony sheepskin. Behind the crew seating are several storage cabinets and a small left and right refreshment area. The cabin from forward to aft is set in club style seating showcasing beautiful camel and buff leather.

NOTE: Aircraft subject prior sale or removal from the market, buyer verify all & item to their satisfaction, said "as is, Where is"
