Exterior:

Sleek lines in bright Sunflower yellow just make you want to climb aboard this beautiful bird. Unencumbered by the typical RV paint jobs, this is nothing more than a pristine canvas, awaiting your creative touch. Glass is in excellent condition. Rated 9.

Interior:

No expense was spared on the interior of N984N. Dove grey leather seating and side panels. Pilot and passenger will find supple padded seating with lambswool for comfort. Each has a five-point harness. Many side pockets afford the Forward and aft baggage. The panel is well arranged and user friendly on a light metal gray background that affords optimum visibility of all instruments.
