This search is subject to the filings reflected on the index of collateral provided by the Federal Aviation Administration aircraft records division in Oklahoma City, Oklahoma. As of November 5, 2024 the FAA has discontinued access to Work in Process documents. AEROtitle assumes no responsibility as to the accuracy of said source, and does not guarantee, insure, or warrant that said FAA index is free of error and/or in the supporting documentation from the ancillary records.

This search does not include a search for registrations at the International Registry of Mobile Assets. If this collateral qualifies under the provisions of the Cape Town Convention and Aircraft Protocol, a separate search should be obtained.
